

STANDARD FORM NO. 64

~~SECRET~~~~CONFIDENTIAL~~*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Deputy Director of Training (General)

FROM : Chief, Junior Officer Training Division

SUBJECT: Weekly Progress Report -- 22-28 May 1953

DATE: 28 May 1953

1. [] reports that Junior Officer Trainee [] has made such rapid progress in the [] program during the last two weeks that he has completed the phase which was originally assumed would take two months. It is significant that [] is following this case so closely and shows so much interest in the development of the program; also that [] who is typical of the J. O. Trainees, has been able to do so much better than was expected of him. As planned programs such as this are developed, it is expected that the capabilities of the Junior Officer Trainees will become more and more recognized in some parts of the Agency.

2. A program to train Junior Officers in actual field conditions overseas has been submitted in comprehensive form by [] TLO/FI, and is now being scrutinized by Chief, Plans and Policy Staff, OTR. It will later be discussed with DD/TR(G) for further criticism.

3. The resignation for personal reasons of [] was accepted today and he is now being debriefed in preparation for his departure tomorrow.

4. Interviews were held with six prospective candidates; files of ten prospective candidates are in the process of review.
